## EDUCATION:

Base Camp Coding Academy: Water Valley, MS, expected graduation May 2019

High School Graduate: Water Valley High School, May 2018

---

## TECHNICAL EXPERIENCE:

**ESPN Stat Slider**, Base Camp Coding Academy, February 2019

Goal: Build customizable slide-in component inspired by ESPN statistics slide-in.

Technologies: HTML/CSS, JavaScript, Bootstrap, Git, GitHub

Live Demo: <https://dannyp123.github.io/ESPN-Statistic-Slid-Box/>

- Synchronized slide-in component with data from user input via JavaScript event listeners
- Styled slide-in statistics form with Bootstrap
- Used CSS transitions to animate slide-in component
- Deployed live demo with GitHub Pages

**Base Camp Coding Academy New Student Admissions Website**, Base Camp Coding Academy, March 2019

Goal: Develop a full stack application with my team that allows users to apply to Base Camp Coding Academy

Technologies: HTML/CSS, JavaScript, Bootstrap, Java, Spring, PostgreSQL, Git, GitHub

- Collected project requirements via face-to-face client meetings
  - Processed applications from potential students via multi-step web form
  - Built admin dashboard to review and filter submitted applications
- 

## WORK EXPERIENCE:

**Dunn's Country Store**, Water Valley, MS

Employed: May, 2017 - Present

Goal: Provide excellent service to ensure customers have a remarkable experience

Role: Wait and bus tables

- Increase the customer experience while dining in
  - Develop strong relationships with my co-workers
  - Handle the money in the store
  - Train new waiters/waitresses
-
